

# Financing that helps you focus on what really matters

As part of a financial institution with \$23.5B in deposits and \$36.9B in total assets,<sup>1</sup> our Healthcare Finance team understands the challenges faced by today's healthcare professionals. We will help you maximize your budget, keep your technology on the cutting edge and automate your practice so you can focus on what really matters—delivering superior care to your patients.

## A focus on relationships

Our knowledgeable healthcare team helps you manage equipment acquisitions with an eye on the growth of your business. No matter the size of your project, we will make financing it quick and easy.

## Flexible financing

- Maximize cash flow
- Match revenue streams with reimbursable procedures
- Bridge gaps in funding
- Simplify billing by including maintenance, consumables, and other services in your monthly payment

## Options to meet your needs

Leases: finance/capital, FMV

Loans

Equipment Finance Agreement

Software-only solutions

“Practice Builder” solutions

Pay-per-procedure options
